

As the covid travel advice can change quite suddenly it is important to check now, and also that you keep up to date with ongoing travel news.

Here at Duquesa Holidays we have put together a list of resources for you and suggest that you check back to these websites regularly (or subscribe if applicable) for their updates so as not to miss important changes!

If you haven't done so already, we suggest that you start by looking at the advice from your travel airline provider. All airlines provide updated and direct links to the relevant government bodies and forms required for check-in and at the border control entry points.

If you are unsure of what you need before travel then we recommend you contact your airline as they will be in a position to give you the very latest travel requirements.

**Before you depart - Checklist:**

- Take out appropriate travel insurance before travelling and make sure it covers you for all the activities you want to do.
- As you are travelling to the EU, and if you apply for a card now, you'll get a new UK Global Health Insurance Card (GHIC) instead of an EHIC, visit [www.nhs.uk/ehic](http://www.nhs.uk/ehic) to understand what it covers - you still need full travel insurance though! You do not need to apply for a GHIC if you already have an EHIC. Your EHIC remains valid in the EU until it expires. An EHIC or GHIC is free of charge.
- Learn about the laws, customs and entry requirements of the country you're visiting and understand how they differ from home, check [www.gov.uk/foreign-travel-advice](http://www.gov.uk/foreign-travel-advice).
- Check your passport is valid, check [www.gov.uk/renew-adult-passport/renew](http://www.gov.uk/renew-adult-passport/renew), fill out the emergency details, look after it while travelling and keep it in a safe place. Make sure you have all necessary visas.
- Make copies of important travel documents, take a picture or make copies and store them securely using a secure data storage site.
- Research vaccinations or any other medical requirements for your destination, and if necessary, visit a travel health clinic before you travel. For medical advice visit [travelhealthpro.org.uk](http://travelhealthpro.org.uk).
- Tell your friends or family about your travel plans and where you're going and leave emergency contact details.
- Take enough money with you and have access to emergency funds.
- Ensure you take the contact details of the local British Consulate in case of emergencies - [www.gov.uk/government/world/embassies](http://www.gov.uk/government/world/embassies).
- Understand what consular staff can and can't do to help British nationals travelling overseas, check [www.gov.uk/government/publications/support-for-british-nationals-abroad-a-guide](http://www.gov.uk/government/publications/support-for-british-nationals-abroad-a-guide).
- Act responsibly, and be responsible for yourself when abroad.
